

GRIDALL: A Comprehensive Framework for Capturing Project Information"

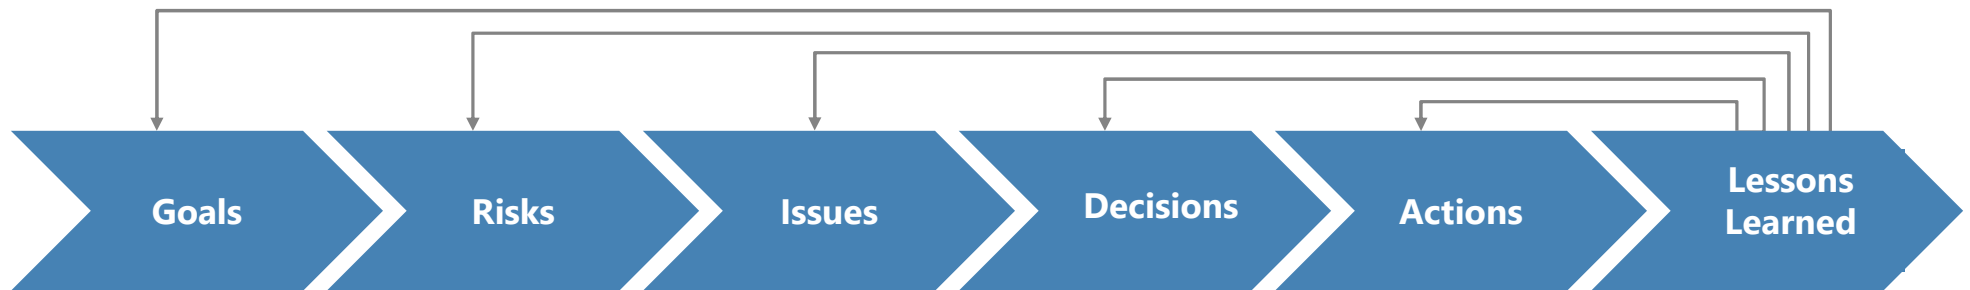

Joe Stalder, PharmD, PMP

PMINJ

June 24, 2021

GRIDALL as a Project Management Lifecycle

Every **goal** has risks

Every **risk** can become an issue

Every **issue** requires a decision

Every **decision** is followed by an action

Every **action** affords an opportunity to learn a lesson

Every **lesson learned** can be applied back

GRIDALL as a Project Management Framework
